APPLICATIONS FOR 30 DAY CREDIT ACCOUNT

- The following criteria is required for processing of 30 day Credit Account applications:
- Store Owner Applicants must have a registered retail store environment, where retail customers have free access and must be prepared to carry stock (various levels apply).
 - Trade Services Contractors must be Industry related in the fields covered by Total Hardware products.
 - Acceptance or otherwise of applicant will be notified together with their Credit Limit & any additional requirements.

APPLICATION FOR 30 DAY CREDIT ACCOUNT

INVOICING

- Customers should provide Order Numbers when ordering and should clearly indicate their preferred freight carrier. Total Hardware provides an overnight air service for metro and 2-3 day priority air service for non-metro. A copy invoice accompanies each purchase.
- Monthly Statements of Account are Emailed and payment should be received within the prescribed time as set out in the attached Schedule: Terms & Conditions.

CREDIT CLAIMS (e.g. Goods being returned/offered for credit)

- Any goods returned for credit outside the period specified in clause 9 of the attached Schedule: Terms & Conditions will be charged a restocking fee of 25% of the purchase price for the goods on returning any non-defective goods
- All products returned for credit must be in original Total Hardware packaging and be of merchantable quality. These goods must be returned with the original purchase invoice No. (e.g. copy of invoice)
- Accepted goods returned will only be credited against the original purchase invoice number. Transport &/or freight charges will not be credited. Credit notes when issued will appear on monthly account statements.
- Goods returned for claim, damaged due to inadequate packing, freight damage or with parts missing, damaged or replaced, other than the original products supplied by Total Hardware will not be processed for credit. Return of all products is at the Applicant's risk and expense. We suggest that before returning any goods you should first contact Total Hardware.
- All Stores should adequately check and investigate all goods returned by their customers/consumers before offering or transacting credit. They should ensure that the products are the original equipment as supplied, are in unused condition and are packaged in original Total Hardware packaging.
- Total Hardware reserves the right to accept or reject any return or offers for credit claims. Goods will not be credited until they have been received into Total Hardware store and reviewed/assessed for claim.
